“ I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!

“ I have way too many memories to share of my daddy. He was such a wonderful man. Its still so hard to believe he's gone. I can't just pick up the phone and call him anymore... I miss him so much it hurts so bad. I just have to keep telling myself he's not suffering anymore, it helps a little but a piece of my heart is gone... I love u daddy

“ JD was not only an icon at Hillphoenix and the refrigeration industry as a whole, he touched so many with his knowledge, humor and inspiration. His contributions to this company as well as his contributions to our country will never be forgotten. On a personal level, I've had the honor and privilege to know JD for almost 20 years. I fondly called him "Elvis" as we both love "The King". I will miss you JD. You truly touched my life. "Godspeed" friend.

“ I had the privlage of working with JD for many years at Hill Phoenix and he taught me all i know about refrigeration. Trust me when i say it wasn't easy when he was teaching because if you messes up he would kindly let you know you did. I worked on a lot of projects with him and became a freind he could talk to and trust. I will miss him dearly. R.I.P. my freind
