*I just saw where Tommy died. So sorry to see this. I worked with Tommy at the Post Office and I called him Terrible Tommy Terry. He called me BS because that is the way my checks came in with BS Wagner. I had lots of fun working with him and playing pranks on him. I think of him alot. It has been a few years since some of us P.O. girls met him and Pat for lunch. Praying for the family. I wish we had known because we would have been at his service.*
