“ *Christine and Jimmy,*

We are so sorry to hear of your fathers recent passing. We know you each have sweet precious memories of your dad that you will carry with you always.

Mike was a friend to us for many years. He was always soft spoken and ready to help us with any heating and air problems that occurred. His dedication to excellent work and honesty was much appreciated.

We mourn with you in your loss, and pray God's blessings for you and your family.

“ *Christine and Jimmy,*

Ernest and I are so very sorry to hear about Mike.

We have some very fond memories of many years ago when we all went to

Immanuel Baptist Church and Mike along with Ernest and many others were

involved in the building project.

Praying for your comfort and peace through our Lord Jesus Christ.

“ *I am very sorry to hear about Mike passing. I have known him since I was a kid working with my dad. If I had known sooner I would have been there to visit. I hope the family is doing ok. If their is anything I can do let me know.*

“ We are very sorry to learn about Mike's passing. We have fond memories of the times we were able to share with Mike. We regret that we haven't stayed in touch the last few years but we are very glad that we were able to spend some time with Mike and Jimmy last year at the shop. He dropped what he was doing and made us feel welcome. That's just the way he was. May you cherish the memories as they come to your remembrance. Please be assured that we will ask God's comfort for your families during our time in prayer.

*Love in Christ,

“ Words can not express how sorry we were to hear that Mike had passed away. We were honored to have met Mike in the late 80's summer when we bought our first house in Conyers. Over the years Mike became not only our heating and air go to person but he became our friend. He became my mentor, a person I would call for advice and trust his judgement. I wasn't sure Mike would be able to return to work but I prayed he would. I missed my friend and his knowledge about things. I know that he is in a better place but I sure am going to miss him. May he rest in peace. May his family be given the courage and strength they will need in the days ahead. Love and blessings, Jimmy and Beverly Golden
