“ I feel so blessed to have spent so much time at the Jones' house. Many of my favorite memories are from those times, and Casey and Jane always made me feel so welcomed and loved. The best days were when she would bring out the shrimp and make biscuits and we would chat on the back porch. I don't know if she even realized how many lessons she gave me! She modeled kindness, love, hospitality, and she passed on a lot of wisdom during our chats! Thank you, Heather, for sharing your home and your mom with me! Praying for you all! Love, Anna

“ *Jane has been my friend for the past 25 years or so. We enjoyed being together and always had occasion to laugh about something funny that we did or remembered. We liked to brag about our children, especially the grands and great grands. Janes mac and cheese dish and her banana bread will always come to mind when I think of her. I feel so blessed to have talked with her on the phone the day before she passed away. Thank you to Jane's daughters for sharing their Mom with me. I cherished her friendship and I will miss her.*
