“ I have picked up the phone so many times to call and see how you are doing mom. Then I remember that you have a new number, and that I can talk to you anytime I need to. You have always had an ear to listen and a shoulder to cry on. Mom, I love you more than I can ever put down in words. Don't worry about us, we will look out for each other. I know you worried about that. Until I see you again, I LOVE YOU!!
