“ *Janice came into my life as a little 5 lb baby doll and we lived together until she was 6 years old. More like a sister than a niece. She always said "I love you" and would do anything she could for anyone. Sweetest soul ever.*

She raised 4 good young men, worked hard for her family and was a wonderful wife. I can only promise she will never be forgotten, always loved and my next walk on the beach I pray I feel her right beside me in spirit. Rest in the arms of angles my love. Aunt Brucie
