“ Grad, Mitch and Janna,
So sorry to hear about the passing of your mom. As you know growing up in East Point she was always like a second Mom to me as well. I have so many fond memories of spending time at your house, ball fields and batting cages. She was always so sweet and made me feel right at home. I have no doubt she is excited to be reunited with Mr. Harris and I'm sure they have their lawn chairs side by side again and waiting on the first pitch.
Love to you all and know you are in our thoughts and prayers.

Love Mike and Connie West.

Remembering my years of working together: Jan was always kind, loving and professional in her caring for her patients. She loved God and her family with all her heart. She was a devoted and faithful friend who always put others before self. She was an inspiration to me and she will be sorely missed by all who knew her. Rest in peace, Jan; you have earned your reward. Mary Staples
