“ Janice retired from Bridals by Lori after over 20 years as it'e Office Manager & book keeper. A large quilt she created representing our current store still hangs by her office. When trying to hire her replacement we would always tell applicants they needed to perform the job as Janice did it. A great deal of our success is due to Janice keeping bbl on task and keeping bbl current with our books. Janice cared for others always thinking of their birthdays and baking cakes. She loved coordinating our big in-store Christmas lunch often preparing many of the dishes herself. She loved to cook and have a great time. There was no job she would not do, or try to do :). My sister was also named Janice and passed away from the same horrible cancer making her passing having more impact to me. Janice will always be missed by bridals by lori as well as from Lori & myself. May she rest in peace. Eddie & Lori Allen
