“ Oh Jan, I cannot believe you are gone to Heaven, just like that... I will cherish the FB messenger chats. Getting to know you over the past 20 years has been a joy for me. I hope you knew how very special you were in my life. I know you are in Heaven with both of our Mamas and that gives my heart a lift, one day I will be able to hug you tight, until then, I will carry you with me in that designated spot in my heart. Rest in comfort and peace, dear sister <3
