“ Jeff, I was so sorry to hear about your mother's passing. It's so very hard to see our parents age and fall into poor health. May God give you His peace and comfort during this time as you adjust to her not being here with you. But, as you so properly said, it's comforting to know that she is in such a better place on the other side and you can see her again in Paradise! Prayers for you and your brothers, all the grandkids, and her entire family.
