“ *I worked with Jeff at the IEC for a few years. I can remember sitting in the classroom after all of our students have left for the night, and discussing challenges that we both faced. I will miss you Mr. Brewer, you were an inspiration to so many students and co-workers alike. It's hard to believe you are gone so soon.

“ So sorry to hear about Jeff. Carla and I met Jeff and Janet through the sporting clays shooting community and soon after Janet became our banker and both good friends.

Jeff was a really good guy as well as a good friend. We hunted together some but we attended many shooting events and shot numerous times for practice and pleasure. He was always fun to be around and was very witty. He always helped me and anyone else with our shooting.

We will surely miss Jeff, know he is helping others in heaven. Our thoughts and prayers are with Janet and his family.
