“ JD & Betty Joann Bone have been like family to me since My Aunt Karen & Uncle Mike Cook introduced me to them a year ago. Both always so warm and welcoming - I am grateful that I had the opportunity to spend time with JD this summer. His hearing had miraculously improved and if he had the energy might talk a bit- Priceless.  
He was a gracious southern gentleman cut from the same cloth as my grandfather DuBose.  
I hope they meet in heaven Granddaddy will have some good jokes to share with JD 🙏❤️

“ Despite not knowing Mr. Bone I can already tell he was a great man. He will be very much missed by his family. Revelation.21.4 will help his family in these difficult times they are passing through. It says “ And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” God promises to “wipe out every tear” from your eye. One day death will be no more. I encourage all of you to strive to the what’s best for God and that way you’ll be able to see Jesse again.

*I offer my sincere condolence to the Bone family.  
Sincerely, Jason A.*

“ *Don Bone was my Brother-in-law. He was one of the most hard-working men I ever knew. He loved my sister, his wife from the first time he told her he loved her, till the day he passed. He raised his children to do the right thing by, and for people, and laid a good, strong foundation for them to build their lives on. A job well Done Don ! You will always be remembered! Randy*
