Jimmie Dee Cox Kemp, born May 1, 1937 in Dallas, Texas, the daughter of Luther O. Cox, Sr. and Norma King Cox, died August 7, 2020. She was a devoted wife and mother. Jimmie was a rural letter carrier for the U.S. Postal Service for over 25 years. She loved helping young people, especially the Rainbow Girls in Georgia. While living in assisted care in Conyers' Remington House, she was a member of the First Baptist Church of Conyers, XYZ Senior Group and Grace SS Class, a well-known enthusiastic greeter at the Sunday services, and a volunteer at Rockdale Hospital. If she knew you, she gave you a hug and some little gift, and she never met a stranger. She was active in many ways with every organization in her area.

“ *Jimmie and I have shared many wonderful travel memories especially cruising the beautiful country of Norway all the way to Arctic Circle, the North Atlantic Ocean stopping at Iceland and Greenland, and the beautiful Hawaiian Islands. Let's not forget New England and Branson, Missouri. Jimmie wanted to take in everything. Sometimes she would be up in the hot tub before I woke up. She would not rest in the afternoon then she would go to sleep in the theater. I often removed her glasses when she went to sleep reading. She enjoyed the sites, talking to everyone she met, shopping, good food, and especially enjoyed celebrating her 78th birthday on board.*

*Jimmie, I miss your beautiful smile and my travel partner. I know you are enjoying traveling with the Lord. Your friend, Barbara Walden Chambers*

“ Always a smile, usually a token-gift to let you know you were special to her, never a disparaging word.....these were Jimmie Dee's trademark qualities. She will be greatly missed in a world where these traits are so greatly missed and so badly needed. In the almost 50 years I knew her, I never heard her complain or say anything bad about anyone. She truly walked the walk of the Christian faith, and now she's transformed into the Angel she was intended to be. Go rest High,my friend. Your work here is done!
