“ *Joelda and I were high school friends. Sometimes we sat next to each other. She was always kind and thoughtful. The teachers knew I talked too much and they knew Joelda would keep me straight. I believe that my dad, Dr. Simons may have delivered her or been her doctor. It sounds like she continued to live a beautiful life. Please accept my deepest sympathy.*

“ *So sorry for your loss..I couldn't make the memorial service but have her and you all in my prayers. I recall joelda's wedding and the family hoping these young newlyweds would have a long and happy life...looks like those hopes and prayers were right. I know my father...her uncle Cecil thought the world of her.*

WE all love her so much. Such a dry wit she had. She was such a help at all our Stonecroft luncheons. Always ready to help. She will be missed.
