“ In our college days, John was a tireless purveyor of common sense. We will never forget hearing the audio tapes John sent home from Vietnam. Not surprised that John was a Stephen Minister, showing his compassion for others. Our thoughts go to his wife and family.

“ *I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!*

“ *My condolences on your loss of a fine man. John was a highly respected member of the Decatur Federal real estate team for many years. We shared a common bond of our military service in Vietnam. I had the good fortune to see John in Snellville earlier this year and we were able to catch up with each other. Always one with a quick smile and a kind word. May he rest in peace.*

“ John was a joy to me as a fellow Stephen Minister. I will always remember his stories and his joy at telling them. He is truly missed; but, I know we will see him again. The picture I uploaded is him with all the Stephen Minister women celebrating his return to our meeting! Love in Christ, Ileen

“ I went to High School at Decatur High with John and he was a good friend. Since we were seated alphabetically, I sat behind John in homeroom for four years. Because John was so tall, I never got to see the front of the room in four years. We also went to Georgia State at the same time and were both in Pi Kappa Alpha fraternity. About a year ago, at John's request, I organized a lunch with John, My brother Jerry, who was also in the fraternity and John Darnall, who was John's little brother in the fraternity. We had a great time sharing lunch and stories and getting caught up with our lives. I will always remember that lunch. I will certainly miss John, his humor and his easy going ways.
