

Dr. John Archer Hughes

February 17, 1942 - June 23, 2023

John Archer Hughes, 81, went to be with the Lord on June 23, 2023. He loved living, learning, traveling, and being a dentist. He was devoted to his family and to his faith.

John was born to Marjorie Cleveland Hughes and John Gentry Hughes in Atlanta, Georgia on February 17, 1942. He loved to visit his grandparents in Fort Valley where they grew peaches. He was industrious, curious, and enjoyed building and fixing things. He attended Murphy High School, and then Baylor University from 1960-1962. He went to Georgia State from 1962-1965, and then in 1968, he earned his Doctorate in Dental Surgery from the University of Tennessee Dental College in the good company of some fellow students who became life-long friends.

John practiced dentistry for close to 50 years. He was a member of dental organizations and pursued continuing education in orthodontics, TMJ, implants, cosmetic dentistry, and cranio-osteopathy. He was President of the Atlanta Craniomandibular Society. He was also a Fellow in both the Academy of General Dentistry and the International College of Craniomandibular Orthopedics. He was so fortunate to have long-term, supportive, and loyal office staff members.

John's family was of utmost importance to him. He and his wife Jean enjoyed

creating their life together, especially living on the lake in Conyers. They supported their children and grandchildren with focus and generosity: attending music programs, soccer games, college events, and many performances. John's generosity extended to his patients, his colleagues, his friends, and people in need. He helped people cover their dental costs to get the care they needed. He was a member of the Kiwanis Club in Forest Park. He volunteered his time and dental skills to clinics in the Atlanta area and Peachtree City, and he served on mission trips to Honduras and the Dominican Republic.

John was a stalwart Christian who lived his faith. He led family devotions. He grew up in White Oak Hills Baptist Church, attended Second Baptist Church in Memphis, was a member of Heritage Hills Baptist Church, then Conyers First United Methodist Church, and most recently Monroe First United Methodist Church. He served as a leader in these churches, but one of the most transformative ministries for him was the Kairos Prison Ministry. One of his friends said he was the biggest spokesperson for the Kairos Ministry. He shared his faith with many people, and the connections he made ministered to him in return. He also participated in the Full Gospel Business Men's Fellowship and supported One Heart Ministries with his leadership and gifts.

An avid reader, John read the Bible first and then everything else. He had so many interests: theology, spirituality, alternative medicine, self-development, physics, nutrition, sustainable architecture, and Christian mysticism. He was always interested in cutting-edge ideas and innovation. He was committed to helping others with his wealth of knowledge. He loved adventures and traveling. He enjoyed kayaking, hiking, caving, whitewater rafting, fishing, deer hunting, home projects, and traveling. He took his family to see so much of the United States, and he loved taking his grandchildren on beach trips. Some of his favorite trips included rafting on the Colorado River and trips with his wife to Australia, Greece, Hawaii, and the Holy Land. One highlight was the

bicycle ride down the mountain of Haleakala 3 times, and the third time was on their 45th anniversary.

John is survived by his wife, Martha Jean Hughes; his children, Joy Hughes (Tom Kilby), Joni McCulloch (Russell), John C. Hughes (Megan); his grandchildren Ella Stevens, Jenna McCulloch, Michael McCulloch, and Elijah Hughes; his brother, Bill Hughes (Nancy); his sister Cheryl Jennings, and his nieces and nephews. He was predeceased by his parents and his son-in-law Kurt Stevens. John also loved dogs, and he is survived by his yellow lab, Jack.

The family would like to thank John's doctors, nurses, and all who helped him in his health journey of the last two years, especially Morgan Medical Center and Bridgeway Hospice. They are also grateful to Sheldon Landy for the final sermon and prayers over John and his family and to Randy Byrd and Jim Meunier for their help with the service.

“ *I woke up thinking of Dr. Hughes this morning because, even though he retired years ago, he was an amazing and knowledgeable dentist, and I was hoping to ask him a dental question! I'm saddened to find his obituary. He was the most entertaining dentist ever, as he would tell a joke or two and sing a little song or hum a tune while providing the best dental care possible! I enjoyed seeing family photos at the checkout desk, although Joni is the only family I had met as a fellow art educator. I can see that Dr. Hughes left this world to be with Jesus more than a year ago, but I still want to express my sympathy to the family for your loss.*

How blessed you all were to have him; he was very proud of you!

“ *Dr Hughs was such a sweet man, he came to the Italian Oven and Bobby and myself got to know him very well. I realized today that I hadn't seen him in a while and asked a fellow dentist who let me know of his passing. He really was the kindest and sweetest man always smiling and sharing a hug and a story with me. He will be truly missed may he rest in peace and comfort and bless his sweet wife as well.*

“ *Dr. John, my sister and I were just thinking about you. I google searched and saw that you just passed away. I am so sad I didn't get to tell you how much I loved you and Mrs. Jean and the impact you had on my life as your patient. I am now fifty years old and have had a beautiful smile since I was thirteen years old because of your help and care. My mom couldn't afford much because my father had died and she was doing the best she could on a teacher's income. That beautiful smile has served me well as a music teacher, performer, and worship leader. I know you would have been so happy to know that I recently went to Ireland to do two concerts and share the love of Jesus. Thank you for leaning into the calling on your life to serve God and your fellow man. You made a difference in my life. Until we meet on the other side of eternity! Mrs. Heather Petero (Flynt)*

“ Dr.Hughes will be missed. After working working with him for so many years I think of him often and all the things he used to tell us. He was always a perfectionist and expected that in all of us. Quite often he would tell me “We will be friends forever “ Go rest high Dr. Hughes Sending love to all the family

“ So sorry to hear of John passing. I worked a number of Kairos weekends at Hancock State Prison. John was a friend to all and a gentleman in his faith and his love for our Lord. I will miss our conversations about faith, family and winning souls for the Kingdom. Praise God his body is whole and he has received his eternal reward.
