“ I am soooo sorry about the passing of John. I heard about it just today. John and Randy Poynter hired me for the Public Works position for Rockdale County in 1990. I was 29 and they both gave me an opportunity to grow and prosper. I am so grateful to both of them. John taught me so much about HR issues and I will be eternally grateful. I relied upon him tremendously as HR issues arose in the department. He was ALWAYS there for me. Much of what I have been to accomplish in the consulting field now is because of the tutelage under John and Randy. Thanks John and may you rest in peace and harmony. I will miss you

“ *It was my pleasure to get to know John through St. Pius X during our many years living in Conyers. I also enjoyed several rounds of golf with John at Honey Creek during that time, and will always remember his exceptional short game (and a record number of hole-in-ones one year I seem to I recall). John was wonderful man and I'm honored to have known him. Prayers for God's grace, peace and comfort lifted up for Kathy and their family. RIP John.*
