“ I met Kregg when Kelley was at Peek's Chapel Elementary School. He always had a mile on his face and his love for Kelley was very evident as for her love for him. Although I had not seen him in years I often read posts from Kelley on Facebook. I know the love for him was very deep. My heart goes out to the family as they mourn and celebrate his life. He is now an Angell watching over his family. He will be deeply missed.
