“ The day after Bailey and Andrew got married we (myself and German exchange daughter Celine) joined Chris, Alex and Bonnie on a whitewater rafting trip down the Colorado river. We stopped at a cliff jumping spot and Celine wanted to jump but not alone. So brave Chris volunteered to go with her. He jumped from about 35 feet into the river. His smile after that jump will be what I remember. Blessed to have gotten the opportunity to spend this time with Chris. Prayers to all who knew and loved him.
