Dear Williams family so sorry for your loss. Joyce was a classmate of mine all through 3rd ward grammar school, Fitz-Hi School class of 1955. She was always full of fun and laughter and was a dear friend that I will remember forever. Class mates and fun times will always be in my memories.

With the passing of cousin Joyce, only six Williams grandchildren remain. There are many second, third and even fourth cousins, but Joyce was one of seven first cousins to survive from the dozens born to the nine surviving children of Matt and Toad Williams. Rest in peace, dear cousin.

Don and Frances (Joyce's brother Don) are our dear friends, and at this difficult time we know that Joyce's graduation to heaven brings comfort while our earthly loss often brings tears...it has been said that there are no rainbows of the soul until tears have been shed...we know that there will be many loving memories and stories to revisit regarding Joyce's life... May God bless all who were touched by her life!

Joyce was one of the sweetest person I have ever met. You had a heart of gold. You made friends wherever you went. I'm so glad you were my friend I love you and I will treasure all of our good times together. It breaks my heart to think I won't be seeing and talking to you each day. I know you are in a better place and you are at peace now. Love you sista sista
