I was so sad to hear the news from Kel of Jo's passing, but she is definitely in our good Lord's kingdom and free from all earthly pain & sadness. I met Jo when Kel & I worked together in a Midtown Atlanta law firm and frequently went downstairs to Henri's for lunch where she worked. I never saw Jo without a huge smile on her face -- she brightened up the entire place wherever she was. Jo was the sweetest and most genuine person I've had the pleasure of having as a friend. She shall be missed immensely but we will see her again. My love, hugs, and blessings to the entire family, Linda

“ *Jozene has been my sister in law for almost 48 years. She and her family were at mine and J. R.'s wedding.. Little Pam and Little Kel were there, too. Amazing how time goes by so fast and how we wish we had spent more time visiting with her and her family. Jozene was so good hearted. I am so glad she and I never argued or had cross words. We didn't always agree on everything, but: And, loved her "Wimpey" sense of Humor. She has "Gone Home." I know she will rejoice in heaven! Many Blessings for her family left here. We didn't want her to leave, but God wanted her more. And, GOD IS GOOD! J. R. and Nanci Wimpey.*

“ *Our Precious Aunt Jozene! (or Modene - smile family)*
There are sooo many precious memories of this treasured lady! She always made me laugh! She sent me cards as our family traveled around the country and after moving to Alaska she sent a card which said..."What's next? Russia?? Although many memories, there are 3 that stand out at this time. One long lasting memory is that her and my Uncle Kelly were so close...such a sweet couple....they were always spending time together in their golden years and that touched my heart in so many ways. Another memory was when I was little I used to spend the night with them and my cousins. I can never recall her ever getting on to me except the night when the news came on about Elvis and she told me to be quiet...(now how was Elvis more important than her niece? smile family!!) And the third memory that I will share is how in certain times of life when we talked she would say "Say a little prayer for me". And she definitely was prayed for!!! The Lord answered many a time and He promised "My grace is sufficien." And truly it has been. Aunt Jozene impacted the lives of all of her family because she loved each of us, and made us each feel special. Truly she is going to be missed beyond measure!!! To her precious family remember "Casting all your care upon HIM for He careth for YOU" We love you all - Jeff, Trista (niece), Brooklin, Tucker, Dawson, Holton, Macon, Raigan, Raley, Branson, Braden Fowler

“ She loved my grandbabies like her own! My fondest memory of her is when my grandson Layne was visiting her and he couldn't get the door opened, well I won't say what he said but it tickled Jo so much, she talked about that on my last visit with her. I loved this lady so much and her daughter (Pam) is the sister I never had! Jo Rest In Peace the pain is gone, you're with our Lord! I love you!
