“ *Judy was already the secretary for Chief Everett when I get the job of the first female fire dispatcher at Rochdale County Fire Department in 1979. Judy and I became instant friends. We went a lot of places together and sometimes, we just enjoyed getting together to relax and simply talk. And, even though I lost track of her over the years, she was never far away from my memories, or the love that I'll always have for her. She is with the Lord and I can just see her dancing down those streets of gold. She loved to dance as much as I. But I can rest assured that we'll meet again. God bless each one of her family. She left a great legacy behind. I'll love and think of Judy until we can be together face to face once again.*
