Your family is precious to us. I loved Judy as a sister. She and I were best of friends throughout our school days. We were known as Mutt and Jeff. She had a humor like no one else. We will miss her dearly but have great memories.

“ A rare and precious gift from God was my friend, Judy Ann Watkins. We shared many, many of life's greatest victories, challenges, and tragedies. Judy was THAT person who was always there for you, no matter the situation. My world was made a better place because of her presence. My heart hurts for her beautiful family and for all who loved her. My heart rejoices in knowing that I will see my sister in Christ again and once again rejoice with her. I love you all greatly and am so thankful to have been blessed with your gift of friendship and love.

“ Herman, Juli, Jennifer, Jill and Family:

Sending deepest sympathy to you all during this most difficult time. There will never be another Ann. Her laughter was contagious, and she had a way of bringing happiness to everyone who knew her. She was always such a joy to be around. I have many precious memories of times spent with her. I know that she and Daddy are already telling stories on each other.

You will be in my thoughts and prayers. Love to all,
