“ *Pip brought so much love and laughter even in the midst of his treatment. He always asked about my baby even when he was hurting. Thank you Pip for making such a big impact in such a small amount of time. It was my pleasure to serve you at CTCA. Blessings to your entire family. Jackson sends her love*

“ Aloha Lisa,
I am so sad after hearing about Junior's passing.
I met you and the crew at Bristol after I flew in from Hawaii. You all made me feel at home and I enjoyed helping with pushing bikes etc. Winning Pro Stock and Provide Gas made the day exceptional!
My last time with Junior was in Conyers rolling smoke in his Diesel Pick-up. My first time! I also remember hanging with Junior at Joliet Illinois race where we had some fun after the race ended.
I have been hoping for the best for you both.
All my thoughts are with you and your family.
Sincerely,
Rick

“ I have know Jr. since back in the 70's and he has always been a true friend to me and has always kept everyone laughing. I guess if Jr. ever had a bad day, he kept it to himself. I met him in his motorcycle world and was privileged to be a part of it. I helped him with his motor repairs and tried to help him go fast, he was a very talented rider. My self and his many friends will surely miss him and all of his funny ways. He was a great guy!! My thoughts and prayers go out to the family of Jr. Rest in peace my friend and maybe GOD will find you a pro stock bike to ride through heaven.
