“ To Greg and the family family,
Karen was a deep soul who cared for everyone. Always putting God first and family next. Karen always took the time over the many years of knowing her, to ask me about the welfare of the families who stayed at Phoenix Pass and myself as she served tirelessly on the board of directors. Giving generously of her time and resources she was indeed a faithful servant within the community. I often think of her sense of humor, and I smile.

*Peace be with with you!
With the love of Christ- Auvronette*

“ Karen will forever hold a special place in my heart. I could spend hours listening to her talk. She always spoke so lovingly of her family and always made certain she asked me about my son. She had a special love for every one of our families at Phoenix Pass. And she had one of the kindest and compassionate hearts I have ever seen. She will be greatly missed. My prayers and love go out to Gregg, children, family and friends.

“ Gregg, My sympathy and prayers for you and your family. We talked a lot about your wife and her journey, with you at her side, on our work road trips. I'm glad you did retire and spent quite a few years with her before she passed. I wish you and the family the best as you move forward. - Charlie Kiefer.

“ From 2nd grade at Pine Street through graduation from RCHS; through college; to that faithful New Year’s Eve Party when Gregg and Karen’s paths crossed; to being in Gregg & Karen’s wedding; all the debates and sarcasm shared along our journey. Then finally seeing your pain when Mike and then your mom passed, while battling your personal health challenges. Rest well my lifelong friend until our Lord returns to give you that new body that’s not susceptible to the evils of this world.

To Gregg and the rest of the Hebert clan along with Jeff and the Lacy clan - I pray God’s comfort and peace as you grieve and you no doubt find yourself smiling when you remember your experiences with Karen and her unforgettable smirk.

God Bless her and all the Heberts and Lacys. Karen was a loyal friend and beautiful mother and Grandmother. My time spent in high school with close friends at Jewel's home with Karen is a warm spot in my heart. She loved God. She loved her Family. She was a special friend.
