“ Everyone should be so lucky as to have a Kathrine Crawford in their life. Starting out as a fairly new person in the workforce(out of high school for 2 years), I was lucky enough to have her as my boss, and more importantly, my friend. She taught me so much about life simply by example. I never dreaded going to work because she made it so much fun. She had the best sense of humor you will ever find in a person. I will never forget some of the antics she pulled on people coming in and out of our office. The impression she made on me has gone on with me throughout my life making me a better person; and I hope my sense of humor, like hers, brings a smile to someone's face every day. I know she will be greatly missed, but I also know, her spirit will be felt in a lot of people forever. Thank you, Mrs. Crawford, for lessons in life given unknowingly....Pat

“ Thanks for the 33 years of your love, support and adding me as #4 daughter. We have been many, many miles together - all over these United States, PEI, and Nova Scotia twice. The 2 places you wanted to go was Key West and visit Lucy Maude Montgomery's summer home and that we did. Your kindness will stay within my heart forever. Love you, Dee
