“ I am saddened to hear of Kathy's passing. I enjoyed working with her during events at the Georgia International Horse Park. She was such a sweet person and spent many hours helping her local community. She is greatly missed!!

“ John, Jud, Heidi, & Hillary,
We were saddened to hear your beloved wife and mother had passed away. John, having had a marriage that spanned decades made this, I imagine, extremely difficult. Remembering special times the four of you shared with your wife or mother will bring you comfort and those memories will be what you carry with you in the days to come.
Keeping all of you in prayer during this time of grieving.
