*Like a beautiful little girl you expected to have in your life. So colorful a spirit and a forefront runner, always exploring her life. She came and went to go ahead to prepare the table with God in Heaven, who promised he save a place at his table for us. So Nadia went ahead, the girl who knew all of her families hearts; to set the table the way her family would like it. Making sure the finest of setting for a superb meal for her loved ones, when they arrived home to her. My Sincere heartfelt love be sent in my prays for your family.*
