“ I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones.

“ *Ken, you welcomed me into the Meco family on my first day. I rode with Ken on his Meco Mobile for 3 days in the Atlanta territory in January of 2004. We broke bread at the Waffle house prior to calling on his customers for the next 3 days. I will always have tremendous gratitude to you for showing me the Meco way. God bless!*

It was easy to be Ken's friend and it was easy for Ken to be your friend. Real, true, honest, genuine, Ken was all of these.

Ken was a pioneer electronic technician in the petroleum equipment industry when electronics first hit the gas stations. That's how I first met him, over the phone when he'd call in to Bennett Pump's Service Hot Line for assistance. He was a real hoot to work with over the phone.

Years later, Ken was again a pioneer on the MECO Mobile. The combination of his equipment knowledge and always putting his customers first guaranteed the success of the MECO Mobile idea. He'd fight anyone at MECO on behalf of his customers to keep them happy.

I know I speak for a lot of people when I say with a tear in my eye, my life was richer with Ken Matthews in it.

My Thoughts and Prayers go out to Ken's family, friends, co workers and to everyone who knew him.

Ken was a customer of mine. I just found out yesterday as I called his cell to check in as I have periodically have for the past 6 years.

He was one of a kind and kind, funny, wonderful to talk to, made you laugh and was caring.

He always asked about my daughter who just turned 6 yesterday. Ken and I started to work together right after I came back to work from having her.

He never ever failed to ask how she was doing when I called him. We didn't just have a business relationship we had a friendship as well!

Ken was not just about business he truly cared. Heck I wasn't even a customer, I was a vendor.

Like I said, one of a kind and I sure am going to miss those periodical calls.

Rest in Peace Ken, my Friend.
