“ *Some of my earliest memories are of picking honeysuckle and playing at preschool with Kevin. His passing, as well as the subsequent outpouring of stories and love from so many people of so many walks of life, has stirred fond memories of simpler times. While I am pained beyond words to adequately express, his loss and all it has brought has helped remind me of the things that matter, and the things that last. So, to an old buddy, lost but never forgotten... thank you, and all the family and friends who helped make you so.*

“ *I was so saddened by the news of Kevin's passing. We shared many memorable moments from our Boy Scout days, to working together, to present day. Through all of life's experiences, Kevin was always a great and loyal friend. Even though I moved 800 miles away, we still stayed in touch and picked up where we left off every time we got together. Angela felt an instant kinship with him as well. He was taken from us way too soon and we will always cherish our memories together.*

*God bless Misty and the Alford family during this difficult time.*

“ My heart hurts for you all as you deal with Kevin's death. I knew him only as a young person running in and out of his parents' home when they lived on Ashley Oaks in Newnan, but I have heard nothing but good about him. I pray God will hold you close and bring you comfort. *Ellie Farrington*

“ *Misty Alford and family.....I just wanted you to know how much we all liked and valued Kevin at Crane Transport. Kevin was a excellent driver and employee, I don't think there was ever a time that Kevin was not smiling and laughing. Kevin will be greatly missed. You and your family will be in our thoughts and prayers each and everyday. May God wrap his loving arms around you and guide and protect you through this.*

*My deepest sympathy.*
