“ *I remember Kitty fondly from Savannah High School. We graduated together. We also had a couple of classes together during high school. She was always such a friendly and sweet person. Her family are in my thoughts and prayers.*

“ I am deeply sadden to learn today of the passing of Kitty. She was a bright light to all who were fortunate enough to know her. Although our adult lives took us in different directions, the memories of her beauty and intellect have never dimmed. I know she will be greatly missed by her children and grandchildren...but never forgotten. She will be missed by all of her Savannah High School classmates. She was know by all, admired by all and loved by all!

Gypsy, I know you are still morning the loss of your sister. We are old enough to know time does not heal such a tragic loss. Time only provides a small amount acceptance.

“ I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!

“ Kitty taught both of my children in the 4th grade at Palmer Stone School in Oxford. Her teaching style and passion for education reminded me of the best of the best "old school" teachers. Her demand for excellence especially in writing was balanced by her ability to make learning fun. Kitty had retired when my children graduated from high school, but they wanted her to have a graduation announcement. Her gift to my son for graduation was a college sweatshirt from his college and to my daughter was a beautiful handmade quilt. She will be forever loved and appreciated by the Lanners family. Our thoughts are with you all. Buncie Hay Lanners
