“ Larry was a great man. He was a mentor to me in so many ways. I pray that he knew how much I appreciated his example and guidance. I was much younger when I met Larry and I was making my way. He helped me see so many issues as a young Christian man, Father and Husband. I know he will be missed but he left a mark on many. Love and prayers for the family.

“ Margie,

Lori and I are so sorry for your loss. We love Larry so much. I am sorry that distance and other obligations keep us from being there with you and your family. You both are so special in our lives. Larry was a loyal friend and Church leader to me when I was your Pastor and you both were always supportive of us and we are forever grateful.

I can never forget Larry's smile and sense of humor and his love for good food and good movies. He was so much fun to be with and be around. He will be missed.

Please know that you are in our love and prayers. Now we are just going to have to wait until we all get to heaven to start that First Church of the BBQ.

“ Mr. Larry always had a big smile when I saw him! I loved coming home to CCC with my parents over the years and seeing Mr. Larry. He always remembered my name and gave me a big hug. Praying for you Mrs. Margie!

“ Larry was one of the finest men we have been privileged to know. He was our neighbor and friend for years. He always had a smile and a laugh for you every day. We still have one of his poems tucked away in our bible. The world has lost one of the bright lights but Heaven has gained an angel. We will miss him. Prayers to Margie and the family. “ My first recollection of Larry was the Wed. night meal. I showed up not knowing hardly anybody and absolutely no recent experience being in church. I was barely a CEO. quickly found out we had something in common, (wives in the kitchen). He took me under his wing until I started feeling comfortable. He always had a kind face and a good story.

We will all see you soon Larry, Hal
