“ I hated finding about this last week. Larry was one of the nicest guys one could ever meet and work with. It took me a minute to get used to him (just my nature), but after a while, I realized how good of a person he was. It was a pleasure to work with him for the 7 years I was able to at GCI, as I always enjoyed our conversations about life and our mutual appreciation for the game of baseball. I'll miss you Larry.
