“ Ms. Lena was one of God's Angels here with us on earth realm, now her spiritual body has gone to be with the Lord and her family in heaven. She was one of a kind and will truly be missed, such a giving lady with a servants heart. This time of year , she and I would have been making Christmas bags to deliver to the nursing homes. Sweet memories... Oh what a friend we have in Jesus! Condolences to the family and friends.

“ Lena was a very dear friend to all. She always was helping people, and loving them. She came to my house after I had surgery and brought me food .She was always doing something to keep busy. She worked in the church nursery for years until she could not anymore. There was no one else like her I told her that they broke the mold when they made her. She would laugh. Lena will be missed .But one day we will see her again.
