I joint my two sisters Larris and Audrey in sending condolences on behalf of the rest of the Halls family from Jamaica to the family of Mrs. Robinson. A family we spent much of our childhood years interacting with. Mrs. Robinson will be remembered by many from her community in Jamaica as a great woman who went way beyond the call of duty to serve her community both professionally and voluntarily. May I encourage the family, to hold on to her good memories and may they live those memories in their everyday lives. She is gone but not forgotten, her memories live on. Phyllis Hall and Siblings.
