“ I first met Lewis in August of 1977 and I always knew what kind of man he was, a very devout christian man, family man, and friend. We had a lot of great times.

We have worked together and more than that been friends for these some 40 plus years and many times I would be down from work related or even personal reasons all I had to do was pick up the phone and call Lewis and no matter what he was doing he would come and see me and just talk,

He will be so missed, but I know he is in a beautiful place and I know someday my friend I will see you again.

It has been a blessing to have worked with you, for you, but most of all the true friendship you have giving me.

You have a great family and we will always remain close to them as they are a reflection of you.

Your friend always Jerry and Marlena Cook

“ My thoughts return to Happy times at Morrow Church of God. I served on the board with Lewis and we always looked to each other for strength, I also helped with the video on occasion. But I remember a man that wanted to do his best for God. Our short time together brings floods of memories of a kind, gentle and loving man of God. May God bless you in the final journey.
