“ *Just found out today about Lilia' passing. I knew her in Atlanta working at Bell South. Then when I retired and moved back to Ocala, Fl. She and Fred were downi in the Villages not far from me. I visited them and when they came to Ocala we would go out to eat. She and Fred were a great couple and Inenjoyed our times together. Miss them both but will see them in Heaven, our eternal home and be there thur eternity. Condolence to all her family. She always talked fondly of them. God's comfort and peace to all of you. “ *Lila, You are my dear baby sister. I will miss our frequent phone calls and your advice to my questions. I am grateful you offered your home to me. It felt heart warming when you would say, "When you come home we will do this or look for that. I relish the memory of lying on the bed and have sister talk every time I came home. The trips we took were many and I enjoyed and appreciated everyone. I love you and always will. I know it was time for you to go and enjoy an intimate life with God whom you love with all your heart. Please look out for your family. I know that will keep you busy. With deep affection,
Sister Sylvia Hecht,*
