“ *To Mike and family,
It was so sad to read of Lillian’s passing. She was a warm and gracious lady, and it was always a pleasure to talk to her. And she was most helpful to me, back then a young reporter who needed a lot of help covering county government. Lillian did so much good for the Rockdale community, and many lives were touched by her. She was one wonderful lady. My deepest condolences.*

“ *Mike, Beth and Family,
Martha and I were saddened to hear of Lillian's passing.. Working with her for all my years at the Coalition was a great pleasure. She affected so many lives of our troubled youth and their families who passed through the Juvenile Court System. She was an amazing person in our community who will be missed by so many. May God grant her Peace in his kingdom and may your family be comforted by God's graces.*
