“ I met Mr. Lindsay a good 12-14 years ago and he took me right in as his own little daughter and open doors to his home. (I said at their house with channel) I remember the bbqs he had every other day and that good Ole Guyanese music. He would drive us back and fourth to school or activities and have us laughing so hard in the car with his jokes. I was sincerely bless to see him twice this year before he left this world and I will always cherish that. He will be miss like no tomorrow, but never forgotten, he was a kind sweet man who loved his children. I send my deepest condolences to the family and keeping them in my heart.

RIP Mr. Lindsay and send lots of love to the family he leaves behind!
