“ *Lisa, Wes and I have known each other for many years through work. Lisa was very smart, thorough and efficient and had a knack for being able to talk to anyone at any level. She was great with people and had a great sense of humor, she was a pleasure to be around. Our families had gotten to know each outside of work as well. Through all the illnesses, marriages, grandchildren and family members we've lost, our families have shared a lot together. She and my mother shared a common love for their four legged kids. Lisa and mom often talked on the phone, especially when they knew the other was in the hospital. Lisa was loved and respected by all of us. She will be missed.*

“ At a time like this, it is hard to find the words to cover the memories of a lifetime. Truly though Lisa was a very bright shining star in her family. I remember as young cousins playing hide and seek and running around Granny's house down in the country. We would only eat Geneva's or moms food at family reunions. Lisa you will be truly missed by all and as we grew older and had our own paths to run down, we get busy and lose touch. But one thing is for sure, you will always be in our hearts and souls. Good night, God speed, and there will be no more pain. Rest in peace my sweet cousin. We will always love you, Aunt Henrietta and Michael Brace.

“ Allan, Wes and Catherine.

Our thoughts and prayers are with each of you all and all of the grandchildren. It is hard to understand why and when the Lord calls home one of his children, but we have to have faith in the fact that it is all part of God's plan for salvation for these believers. God bless and be with you and give you peace.
