“ Too many memories to choose just one but one that always brings me the most joy is this last year or so playing rummy with her just about every week. My favorite childhood memories that always come to mind are waking up there alot of Sunday mornings and smelling sausage links cooking and coffee brewing and getting ready for church and watching her blot her lipstick on a tissue.

“ I don't have very many memories that didn't include her!!! She was an angel sent from heaven and I was lucky enough to call her Mom!!!!
