“ *Lottie was a dear friend and one of the kindest, funniest, and most dedicated servants I've ever had the honor to know. She served God and her loved ones with the sweetest of spirits. She touched so many families' lives as she supervised care of their children at First Baptist Church of Jonesboro for many years. Such a blessing that she is now rejoicing in heaven. The Chapman family sends our deepest sympathy to the family at this sad time.*

I went to school at Russell High School with Lottie. We were in the same classes. We both worked at First National Bank of Atlanta while going to School. She was a good friend & fun to be with. I think Lottie left the bank before I did. I married Raymond Crumbley who worked with us in the Prof Department. We both stayed until we were 55 & took early retirement. Joe did you work in the same Department with us? I lost Raymond in 2015. I wish I could have come to the Service but I don't drive on Freeway any more.
