“ I have so many good memories.... the day I
told him we were expecting Lindsay, and the
day she was born, the day he walked her
down the aisle.... those insufferable trips to
the dog track... I'm going to miss him very
much.

Saying good-bye is releasing to eternity a major part of my youth. First love, first kiss, two passionate kids marrying and the birth of first son, Jack. Even though in Korea at his birth, Wally knew you instantly upon return. Thank you for these two best gifts in my life and later thanks for the bonus gift receiving love and friendship of your precious 'Lucy'.
Know where you are, see ya later,
