“ *Our Brother "Lou" was always there for us and helped and looked after us when we had problems..big and small. Even though our dearest father was also always there for my sister Rosemarie and me,Louis took on the role of a dad to us. Example: "Dolores, what was the last time you put oil in your Volkswagen ? 1963... teaching me how to drive it..checking my tires... always checking after Rosemarie who was many years younger.()born in 1945).His middle name Vincent was taken when he received his Confirmation in honor of our mother's brother who died at age 39. We are numb with grief but have comfort he as at Peace with God. We will always remember and love you our brother and friend.*
