“ Buddy attended and graduated from Clarkston High School with me and was a good friend. I always liked seeing him at reunions to see what painting he had done. I particularly liked his painting of the old school. He was faithful to attend funerals of class mates when possible. My condolences to Edith and his family. Sincerely, Lonnie Hardy

Buddy was a big brother to me..he was 13 years older than me. Buddy was my brother Gordon Smith's best friend. I remember he would go to Jacks and eat...he would send the jack home with Gordon to give me..I know Gordon and Buddy got tired of dragging little sister around but Buddy never said a word and loved me like a little sister..Buddy will be greatly missed..He was one of a kind.

Loved Buddy - they lived on Stanton St. across from my daughter and her two children and their children were over there and I took pictures on them on the carport back then. He was a wonderful painter - loved seeing what he painted. He will be missed. Asking God to give his wife and children HIS PEACE. IRIS JORDAN PIERCE AND JIM PIERCE.

I will always have fond memories of Uncle Buddy. Our family spent all holidays together until I was grown and every deer hunting season together through my teenage years. Buddy, Tim, my dad and I made many memories together at the hunting club. Uncle Buddy was always someone you enjoyed being around and made everyone feel welcome. You will be missed Uncle Buddy. May the Lord provide the family with peace knowing he is in Heaven with his parents.
