“ I always loved to play w/ pawpaw when I was younger. I remember once we were throwing a ball in the living room and I simply loved it. I always enjoyed spending time w/ him.

“ Dear Loretta,
I just saw this notice online today. I'm sorry you have lost Lyndon. You have truly taken care of him now for some years. I always enjoyed seeing you in the grocery store because that's about the only time we did see each other.

I'm still in pain management with back problems and don't go many places. My prayers and love are with you. Time just marches right on. I still miss Mama and Aunt Grace just like it was yesterday.

You and your hubby made a very handsome couple! For a long time I would say you and your sisters were Mama's cousins but finally got it in my head they you are her nieces. I love you and pray God will give you peace and comfort in your days ahead.
