“ Dave & Mathew,
I was so sorry to hear about Lynn's passing. I remember Lynn as a very pretty young lady who signed up for one of our law enforcement training programs while she was completing her degree from the University of Georgia. I remember Lynn as quiet, reserved and extremely intelligent. Obvious qualities that didn't escape the attention of my best friend, Dave Morris who started dating her and subsequently married her.
It is terribly unfortunate that much too early in life Lynn began suffering the ravages of Alzheimer's. But, I am sure Lynn was thankful to have a loving husband and son who stood by her and took care of her during a lengthy and debilitating illness.
We will all miss Lynn, but we take comfort in remembering Lynn as she was and knowing that she no longer suffers.

“ *I'm so sorry to hear of this loss. I worked with Lynn at UGAPD about 40 years ago and remember her smile and pleasant demeanor. She will be missed. God's peace to her family, especially Dave and Matthew.*
