“ *Nothing I can say or do will make any of this easier for you guys, but know that even from miles away you have all the thoughts and prayers and love I can send your way. I only wish there was more that I could do after everything you've done for me. If you need anything, whether its just to talk or something else, you are more than welcome to get ahold of me and I will do what I can to help. You're in my thoughts for the rough days ahead. Sending all my love your way.*
