“ Dear Marcia, my lasting memory of you is when you were first admitted into the hospital many months ago. I remember holding your hand and telling you , “Marcia you have to fight “, and fight you did. In the end, God needed you more. To your friends and family, especially Dominic, I say take your time to grieve. It is different for everyone. Remember the memories, they are always there. My deepest sympathies go out to the family and friends of Marcia. I have many fond memories of our teen years in Oracabessa both at church and high school. Marcia had an infectious laugh which I will never forget. Sleep in peace Marcia!

Marcia and I shared a house when we were on Internship, and that's where we cemented our friendship which remained strong for over 40 years. I "saw" her last December when she virtually attended my 30th wedding Anniversary and had no idea that would be the last time we would "see" each other.

A genuine friend, who is now resting in the arms of her Saviour.
