“ Dear Friends whom I've never met,
I am saddened at the loss of Anne. I was with her all through the Americus school system, especially playing in the band. One night after an out of town football game, the band bus left us at the busy restaurant where we ate supper. We had gone to wait our turn in the ladies' room. Guess they forgot to count noses. We didn' t know what to do except stand on the street corner and wait for them to miss us and come back. Our beloved math teacher, Mr. O'Neal came along and squeezed us in with his other passengers. Don't know if they ever missed us!
She was a lovely friend, but we lost touch when I left Americus for college. My husband, Dr. Gene & I served as missionaries in Indonesia for about 30 years.
I pray you have enough happy memories of Anne & the full, productive life she lived to sustain you through this difficult time.
With love,

Thank you for sharing that memory of mom! I have never heard that story. I do know that mom had great fondness for her schoolmates and spoke of them often. Thank you so much for your prayers and kind words! We will miss her and always hold her in our memories and hearts!

With much gratitude,
Cheryl Guest Copple
(Anne's oldest daughter)
